

# Job Description-

Pet Trainer

## Company description

PawSpace.in is a platform connecting Pet Owners with Pet Lovers for Pet Boarding/Walking services. We are also engaged in grooming and veterinary services. Our mission is to create a one- stop solution for all pet-related services

We are looking for an experienced Dog Trainer to cater to our clients. Responsibilities include understanding the pet and their mannerism. Also, cater to special requests by the pet parents.

## Duties & Responsibilities:

- Understanding the behaviors and training needs of the pets from the parents.
- Identifying any behavioral concerns and communicating them to clients and find solutions for the same.
- Create a program for each pet, and track progress to share with parents.
- Teaching the pet basic tricks and commands based on each dog's personality and breed.
- Ensuring the pet is in a safe environment during training and take utmost care.
- Enabling the parents to also learn training methods and skills that the pet learns during the time of training.
- Training includes complimentary walks and must ensure that the environment in which the pet is walked is kept clean.

## Requirements:

- 18 years of Age
- More than 1 year of Experience as a Pet Trainer
- Sound knowledge of dog training techniques as well as animal behavior and body language.
- Strong dog handling skills.
- Basic communication skills.
- Competent in breed recognition

## Skills & Competencies

- Compassion: You must always treat the dogs you train with care, kindness, and respect.
- Customer-service skills: You must keep your clients satisfied and should want to refer you to other clients. Customers will also have special requests that you must cater to.
- Physical strength and stamina: You must be able to handle larger dogs.

Job Types: Full-time, Part-time, Fresher

**Salary: ₹20,000.00 - ₹25,000.00 per month**
