

Job Description-

Pet Boarder

PawSpace.in is a platform connecting Pet Owners with Pet Lovers for Pet Boarding/Walking services. We are also engaged in grooming and veterinary services. Our mission is to create a one stop solution for all pet related services.

We are looking to hire a reliable and trustworthy Pet Boarder to care for pets at their own residence. The Pet Boarder's duties and responsibilities include

- Making sure the dog/cat is fed on time, and according to pet owners' special instructions (including administering medication)
- Identifying any behavioral concerns, conveying them to clients and finding solutions for the same.
- Playing with the dog to encourage their mental and physical stimulation.
- Exercising the dog as needed, which includes taking them out for regular walks
- Maintaining cleanliness of surroundings when walking the dog
- Grooming the dog as required: bathing them, cleaning out their ears, brushing their teeth and coats
- Providing regular updates to the owners - via telephone, videos and photos
- Promptly notifying the owners of pet illnesses or injuries that may occur.

Pet Boarder Requirements:

- Above 18 years of age.
- Basic communication skills to interact with the pet owner
- Sound understanding of pet behaviour.
- Ideal and hygienic residence/infrastructure to keep pets
- Spacious and Pet friendly residence/infrastructure.
- Patient, reliable and trustworthy
- Proven experience of working with pets
- Love for animals.

Skills & Competencies

- Compassion Caring for the dogs with kindness and respect
- Customer-service skills Keeping your clients satisfied in a way that they should want to refer you to other clients. Customers will also have special requests that you must be willing to cater to.
- Physical Strength - Ability to handle small and large dogs alike.

Salary

The amount of money a dog boarder earns will vary depending on the number of clients serviced each day, the number of dogs boarded at each location (maximum 2), the duration of the boarding service desired by the client, and the standard pay rate in that specific area.
